

Southampton Stingrays U10 (U11 in the Fall) Tryout Announcement!

The SSA Stingrays U10 (U11 Fall) Premier Boys team is looking to add players! We are an "A" division team who have won *back-back* ICSL Div. 1 Championships, and will be participating in Division 1 **Delco** in the fall.

We have a great group of kids on the team and have space to add 4-5 players in the fall to help fill the expanded roster size and increase the level of talent.

In addition, the Stingrays have been selected to play in the **Youth Premier League** this summer as the U11 Premier Team for all of Philadelphia and the surrounding areas. The team will play as the "[Philadelphia Independence](#)" Premier, and compete with Select teams from Virginia, Maryland up through Easter Pennsylvania. This is a wonderful opportunity to be trained and coached by the best in the business during the off summer months from end of May-July. The staff consist of professional players and elite trainers many of who are from England and the UK, and are part of the WPSL/YPSL of the US Club Soccer.

We would love to add some good local players/talent that are interested in elevating there game and playing high level competition with a fantastic group of kids who love the game of soccer.

The **tryout schedule** noted below and is subject to change – so please notify me or the coaching staff prior to confirm date, time and location. There may be an extra date added to the end but we would suggest you attend and participate in ALL of the sessions to be considered.

April 16, 2009 – Thursday 5:45-7:30 PM Southampton Estates Fields

April 23rd, 2009 – Thursday 5:45-7:30 PM Southampton Estate Fields

April 28th, 2009 – Tuesday 5:45-7:30 PM Southampton Estate Fields

A weekend date to be determined...we may ask your son to participate in Spring League game (or two) as part of the tryout, so be sure to inquire right away to have that option. Spring league play is on Sunday afternoons.
